

Bongo Live SMS Blogspot Gadget Installation Tutorial

Before you Start the Installation:

- You need to sign up for a Bongo Live account on www.bongolive.co.tz/ven_register.php
- Once you complete the sign up process, login to your 'Broadcaster' account on our homepage www.bongolive.co.tz.
- Now visit the 'Profile' tab or the page www.bongolive.co.tz/ven_profile.php. Edit your profile and enter the address of the blog where you want to setup the bongo live gadget. Make sure you copy paste the entire website address (URL) from the browser address bar. ex. <http://sample.blogspot.com>
- Read the 'How to Use Bongo Live Manual' for more detailed instructions on how to send sms to your subscribers.

Step 1: Login to the admin section of your blogspot account and click on layout.

Step 2: On the layout page. Click on 'Add a Gadget'

Step 3: Select 'Add you Own' and enter the URL below then click 'Add by URL'.

http://www.bongolive.co.tz/plugins/blogspot/bongolive_sms.xml

Step 4: Now Configure the gadget as per your requirements.

Change the title and height if you like. The Bongo Live group is optional. If you don't enter anything all subscribers will be added to the 'Default' group within your Bongo Live account. If you like, you can create a new group in you bongo live account then enter the name of the group here. Finally click 'Save' to finish.
