

## Bongo Live SMS Sign Up Plugin Installation Tutorial

### Before you Start the Installation:

- You need to sign up for a Bongo Live account on **[www.bongolive.co.tz/ven\\_register.php](http://www.bongolive.co.tz/ven_register.php)**
- Once you complete the sign up process, login to your 'Broadcaster' account on our homepage **[www.bongolive.co.tz](http://www.bongolive.co.tz)**.
- Now visit the 'Profile' tab or the page **[www.bongolive.co.tz/ven\\_profile.php](http://www.bongolive.co.tz/ven_profile.php)**. Edit your profile and enter the address of the blog or website where you want to setup the bongo live Sign Up plugin. Make sure you copy paste the entire website address (URL) from the browser address bar. ex. **<http://sample.blogspot.com>** or **<http://www.samplewebsite.com>**
- Read the 'How to Use Bongo Live Manual' for more detailed instructions on how to send sms to your subscribers.

### Step 1: Copy the following snippet of code and place it in your website code where the plugin should be displayed

```
<div id="bongolive"><iframe src="http://www.bongolive.co.tz/plugins/iframe/subscribe\_iframe.php"  
frameborder="0" height="160px" width="180px"></iframe></div>
```

### Step 2: Done. Its that easy.

**Note:** All sign ups through the plugin will be placed in the 'Default' group in your Bongo Live Broadcaster account. It is recommended that the default height and width of the plugin not be changed.
